UFC Champion and Army Veteran Randy “The Natural” Couture started the Xtreme Couture GI Foundation after visiting with amputees at Brooke Army Medical Center in San Antonio. Mr. Couture a veteran of the Army’s 101st Airborne Division was brought to tears seeing the young men and women who’d given their all for our freedom. Young heroes who now have to go through life’s challenges without arms and legs or with traumatic brain injuries.

The foundation was especially formed to raise money and awareness for those wounded in action and their families. To date, more than 24,000 U.S. troops have been wounded in the war against terrorism, which doesn’t include the many more suffering the mental effects.

The Xtreme Couture GI Foundation goal is to help these brave men and women fulfill any of their unmet needs as they return back to civilian life.
